Sam O Rama

The largest Samoyed Event in the Midwest!

From previous years...

"It was so nice to feel so much love, and we got to be a (brief) part of the reason NISA exists. We expected to deliver Fluffy to her new foster home, but instead she went home with her FOREVER family. Wonderful outcome for a 12 year old dog who's previous owner passed away." C.R.

"I came home tonight with two exhausted, happy dogs, and two ecstatic children. What a day! Great location, fabulous food (desserts are my favorite), and soooooo many sweet sammies to hug and kiss. To all of you who had a hand in setting up/carrying off the NISA picnic, Great job!!" S.W.

"It was wonderful to see all those white fluffballs together and getting along so well. Muddy was completely exhausted and could barely make his way from the car to my condo, then slept for 4-hours straight." J.H.

"Unbelievable, nothing like it. Talk about emotional to see sooooo many adopted Samoyeds!" D.S.
