"Celebrate Second Chances"

Since 1995, when NISA incorporated, hundreds of Samoyeds have saved from horrific living conditions, various puppy mill closures, possible euthanasia at shelters and county pounds, and the plain old abandonment by their owners. Samoyeds have been accepted into NISA's adoption program from near and far where ever the need arose.

Beginning in 1996 NISA founding members and volunteers decided these "Second Chances" should be celebrated!

What better way to do that than to organize a picnic and invite *ALL* owners of adopted Samoyeds no matter where they were adopted from, supporters who obtained their Samoyed from other sources and folks who just simply love Samoyeds but don't have one of their own.

This event which is now 22 years old also functions as a FUNDRAISER to keep the rescue efforts available to needy Samoyeds of the coming year.

We call it Sam O Rama!!

We have a NEW VENUE!!!

This year Sam O Rama will be held at the James "Pate" Phillip State Park in Bartlett, IL
